About Us

Our company is GMP Certified. Our company is GMP/ ISO 9001-2008/ ISO -22000:2005 certified. (Food safety Management system). We are manufacturer and exporter of Ayurvedic Healthcare Products, Herbal Health Care Products since last 17 years. It is our great pleasure to introduce ourselves as a quality manufacturer of Herbal products. We at SHRIJI HERBAL PRODUCTS follow the traditional way to formulate and to prepare the products. Our products are free from chemicals. We have kept our cosmetic range free from chemicals, preservatives, base chemicals, Pesticides, artificial coloring agents and artificial fragrance. At Shriji Herbal Products, we are formulating more than 300 generic and proprietary products in different sections like Powder, Vati, Ghan Vati (Extracts), Guggul, Syrup, Tablets, Capsules, Single Herb Tablets, Oils and many more Ayurvedic Healthcare Products. We have various products for diseases like Psoriasis and other Skin diseases, Diabetes, Common cold, Asthama, Acidity, Piles, and Arthritis and immunity enhancer etc.

Shriji Herbal Products is working in the pharmaceutical industry and hence Research & Development is the key to success for us. Presently, we are known as the manufacturers of herbal cosmetic products from Mumbai, India. We also offer Guggul, Gntika Vati, oils, Herbal Medicine, and others. We have already accommodated ancient Ayurvedic teachings into our processes and through R&D we aim to make our ambit much better in terms of effectiveness and shelf life. Our scientists strive to improve our medicines and develop new formulations.
